

# **JANUARY 1<sup>ST</sup>** **2019** **1<sup>ST</sup> DAY HIKE**

**Join us for a fun time at Lake Ogallala, SRA**

**Time: 7am – 9am**

Get your year started right by joining us at the Lake Ogallala Eagle Viewing Center. Bring your family, bring your dogs (on a 6'leash) for a walk along the shore line. This premiere site is great for viewing upwards of 100 Bald Eagles along with many other species of waterfowl and migratory birds. We are planning approximately a 1 mile walk, including a 30-45 minute tour of the hydroelectric plant with CNPPID staff. Then join us for free hot chocolate or coffee at the end of the walk in the Eagle Viewing Center.

Be sure to dress for the cold: Hats, gloves, coat, scarf

Please RSVP by calling 308-284-8800

No pets allowed inside the Hydroelectric plant
